PURSHALTH 

Where the world of healthcare meets

Arab Health has firmly established itself as a cornerstone event in the global healthcare calendar, and the 49th edition was a testament to its unparalleled standing. Held in the vibrant city of Dubai, the exhibition served as a convergence point for a diverse range of healthcare professionals, businesses, and organisations from around the world. Together, we collectively illuminated the latest innovations and advancements in medical technology, equipment, and services.

The event offered a platform where attendees could seamlessly network with industry leaders, delve into enriching educational sessions, and witness the cutting-edge trends shaping the future of healthcare. Exhibitors, as trailblazers in their respective fields, showcased their revolutionary products and solutions, forging enduring connections within the regional and global healthcare community.

Our Post Show Report for 2024 summarises the robust conference programs that featured experts sharing invaluable insights derived from the latest trends

and developments in the healthcare industry. The event facilitated an environment where ideas and best practices were exchanged, cultivating new relationships and partnerships that will undoubtedly shape the trajectory of healthcare excellence.

Arab Health, over the years, has paved its way to become the quintessential event for anyone involved in the healthcare industry. It stands as an unparalleled opportunity to connect, learn, and explore new opportunities on a global scale.

As we embark on the 50th landmark edition, we anticipate an even more momentous gathering that will continue to set the benchmark for excellence in the healthcare exhibition landscape.

Top 5 reasons for exhibiting

"Having participated in Arab Health for over 15 years, we can attest to the show's excellence, which consistently improves year after year, not just in size but in quality. Given the substantial demand for healthcare advancements in the MENA region, Arab Health stands out as THE place to be. We take pride and joy in our presence at the show. The event plays a tremendous role in showcasing the latest in equipment, technologies, infrastructure, and now, with a focus on Smart Hospitals. It's a platform where you encounter the best of the best, making it a valuable addition for any company seeking top-notch opportunities."

Dr Raza Siddiqui, Executive Director, RAK Hospital

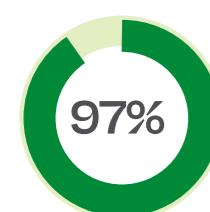

"In commemorating our remarkable 15-year milestone at Arab Health 2024, the event proved to be nothing short of fantastic, offering an abundance of activities and opportunities to unfold. The celebration became a core for closing numerous deals, fostering invaluable networking connections, and embracing a profound sense of togetherness."

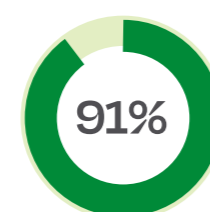

Sukhdeep Sachdev, Global CEO, Leader Healthcare

Smart Hospital and Interoperability Zone

A new platform for innovative and sustainable healthcare technologies

In partnership with Cleveland Clinic Abu Dhabi, the Smart Hospital and Interoperability Zone showcased the next generation of healthcare through enlightening demonstrations of innovative and sustainable technologies. These demonstrations highlighted how various technologies seamlessly integrated with state-of-the-art medical equipment to enhance patient care. Positioned within the Healthcare Transformation sector, the zone provided a platform for equipment manufacturers, e-Health solution providers, and digital health disruptors to showcase their solutions to key decision-makers and professionals.

Top natures of business

"Arab Health affirms its position as one of the world's foremost medical exhibitions, surpassing others in significance. I believe Arab Health is particularly well-suited and highly recommended for professionals in the medical device industry."

Mohamed Hassneen, General Manager, Meditex For Supplies

"As someone aspiring to thrive and anticipate the future in healthcare, I strongly recommend not overlooking Arab Health."

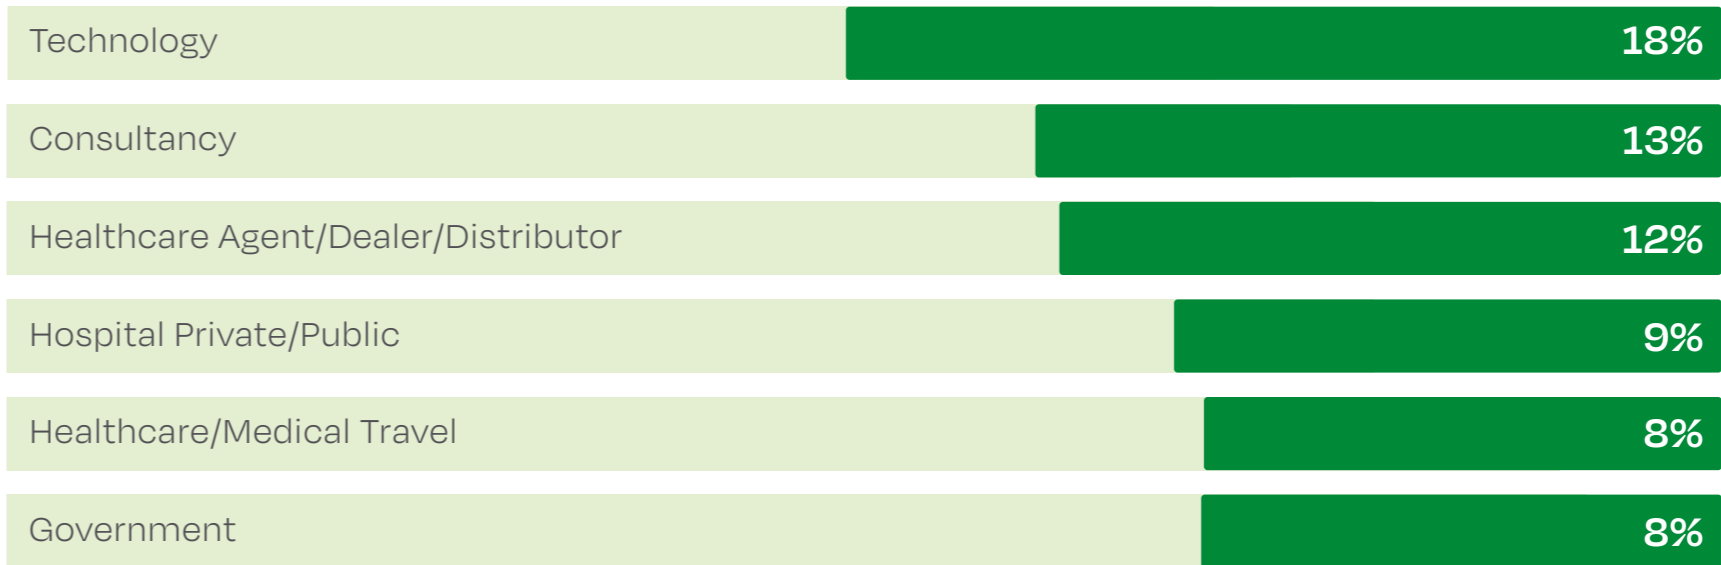

Jasleen Sandhu, Head of Operations, Imaging Services

Future Health Summit

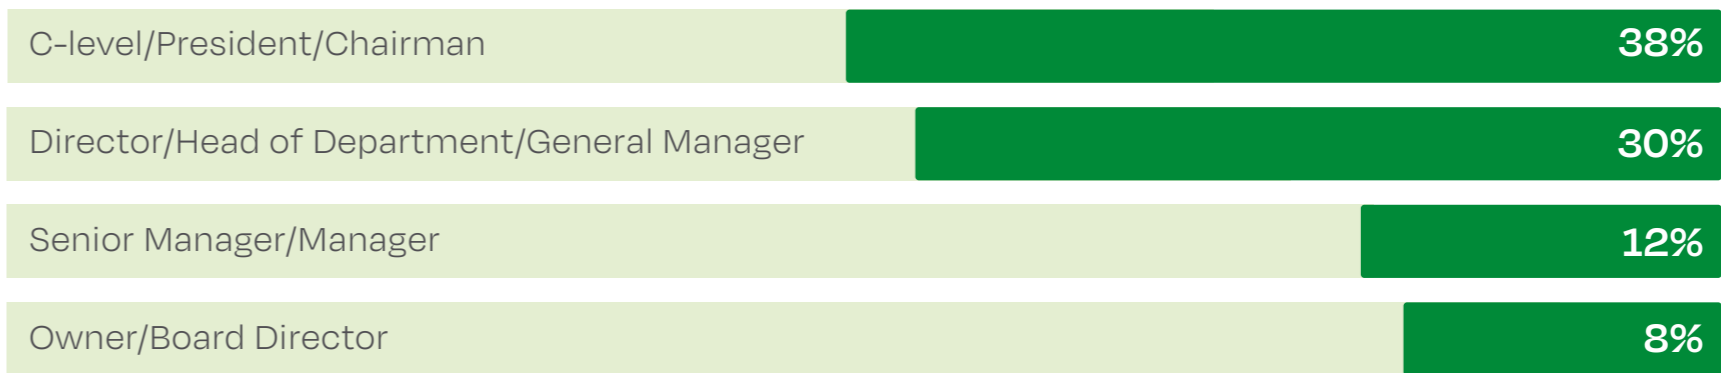

The Future Health Summit 2024, held at the Dubai Museum of the Future, under the patronage of the UAE Ministry of Health and Prevention, and in collaboration with prominent entities such as PureHealth, Dr. Sulaiman Al Habib, Neom, BD, and PwC, the summit convened experts and stakeholders to explore the theme of **“Longevity and Reverse Aging”**.

460+ attendees witnessed cutting-edge research, innovative technologies, and progressive strategies aimed at extending human lifespan and reversing the effects of aging.
